DOORS

SITA RAM DOORS, has been into manufacturing Membrane Doors, Lamination Doors & PVC Doors. Known by the quality designer interior fashion solution. SITA RAM DOORS, was started by a well known Business Family who are into timber trading for the past three decades.

We at SITA RAM DOORS, begin the production process by selecting the finest hard wood available through strict corporate standards and specifications. The skilled and dedicated personnel at SITA RAM DOORS, guided by formula, high resolution graphic each with care using technology most appropriate to the task. Our concern for excellence in our products serve as a continual quality control verification. The entire process makes quality an integral part of our products and reflects the uncompromising standards that went into its graphic. We Proud to give you quality product in high resolution graphic lamination doors keeping in mind the customers dream. The Lamination Door, which are widely used in European countries, are brought to you by using the imported paper film. Our doors are elegant as well as gives an impression of graphic design doors. These doors have better grain than the natural ones. The doors can be fitted to business complexes, residential apartments, individual bungalows etc.
